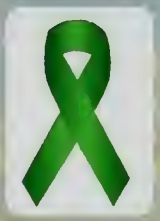
Cancer Awareness

Class of 2011 Dedication

The Class of 2011 would like to dedicate this yearbook to cancer awareness. We want to recognize the people and families suffering from cancer. We feel that abandoning the trend of personal dedications will help our community become more conscious of a worldwide struggle. Countless students and staff are impacted by the damaging effects of cancer everyday. The Class of 2011 is greatly impacted by the faculty and staff efforts. Thank you for sharing your quotes and experiences.

"Since my early diagnosis, which has so far yielded to surgery, treatment and a very good prognosis, I am struck by, and in a way grateful for, the sharp poignancy and clarity of every single day. A fog has lifted, though I was never aware I had been having trouble seeing. At the same time, I have lost a sense of being carefree, and I never realized how glorious it felt while it lasted. Two bits of good advice I have received are, 'If you are going through hell, keep going,' and, 'Don't wait. The time will never be just right.'"

"Cancer shakes a family to its core. But, it also is a battle cry to gather the troops and rally together to fight for survival. I have learned many life lessons from my loved ones who have fought this nasty beast. I am humbled by their legacy and will continue to honor and celebrate their lives."



"She battled back through all the horrors of the surgery and the pain of the chemotherapy all the while maintaing a great attitude."

"32-year-old daughter was diagnosed with the same form of breast cancer as her mother, stage II invasive ductal carcinoma."

"Mom and daughter were sitting across from each other in the chemotherapy infusion room at Mass. General."

"You are helping deliver the hope that future generations will not have to endure cancer threatening the lives of their friends and family. You have the power to fight back against a disease that affects millions."

Graduating Class of 2011:

To The Class of 2011:

As you flip through the pages of this yearbook, it is clear that we not only grew up, but we grew together. In 2007, we entered Weymouth High School as a group of individuals. We were young and knew little of what to expect or what lay ahead. Quickly, however, we were forced to find our way, and in doing so we turned to eachother. As we developed from freshmen to where we are today, we have learned so much from our teachers, staff, coaches, and one another. We went through the stresses and pressure of being in high school together and shared in the happiness, having fun, and living young.

As our days at Weymouth High School come to an end, the lasting effect this place will have on our lives will remain intact. The moments we spent together in this building and as a class are what have prepared us for wherever our lives take us next. And years from now, while this book and its photos may have faded, the memories and great moments they capture will remain vibrant, and continue to fill us with confidence and pride in where we come from.

Coach Connolly
A 10-1 Dual Meet season was a vast improvement from where the team was last year. Not only did we perform well within the league but also the post season races. We managed to place 7th as a team in Eastern MA which is our best finish in 10 years. This group of athletes had so much individual talent and leadership that together made an unforgettable team and season. And to the seniors-you have laid the foundation for future athletes to follow and improve upon. Thank you.

-Mike Koskei

Coach Miller
Watching these girls win a league title, a division title, and the first state championship in 31 years, after all of the sacrifices they put in, was something special. The girls' attitude all season was exactly what we needed, and the leadership of these captains and seniors was second to none. Our accomplishments will go a long way, but the memories we made will last a lifetime.

Jesse Toom

Coach Mackin
This has been the hardest working and most focused group of seniors I have had the pleasure of coaching. Their ability to bring this focus and intensity to every practice, game, and play has led to their success. The message to the team has been to outwork all oponents and success wil follor. Certainly an 11-0 season is proof of that.

You can fight without ever winning, but never ever win without a fight.

Tammy Nguyen
Divide the race into thirds. Run the first part with your head, second part with your personality, and the last part with your heart.

Madeline Manning
Don't look back, something might just be gaining on you.

Coach Miller

The girls indoor track team had a very successful winter, going 4-1 in the Bay State League with their only loss coming to Newton North. Highlights included a best ever finish at State Relays in 3rd, including a state record in the long jump relay from Maddie Manning, Jill Glover, and Melissa Darling. The team was also 6th at the Division 1 meet, it's best ever place there. Captains Jill Corcoran, Jill Glover, Maddie Manning, Tammy Nguyen, and Andrea Hicks led the team all season, and 19 girls qualified for the state meet, the most in program history.

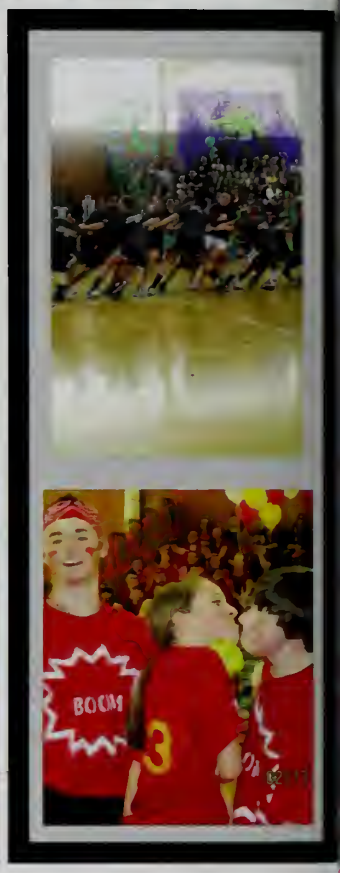
Battle of The Classes



MARCH MADNESS

WEYMOUTH HIGH SCHOOL clubs

Amnesty International

This extracurricular organization is part of an international human rights group that actively works on behalf of those who have been deprived of their basic freedoms. Political activity consists of letter writing to world leaders, protests, and raising awareness and education. Campaigns have been identified by students. This year they hosted their second annual Have a Heart for Haiti dance, to raise money for those suffering from the destruction of the earthquake. The mission of this group is to raise global awareness and to raise funds to help those less fortunate.

Anime Club

Anime Club meets in Ms. Whitner's Room to watch Anime features. We also had a holiday party and played some Anime related games.

Art Club

The Art Club gives students an opportunity to explore their creativity. This club is open to all students at any skill level.

Busy creating art projects to decorate the halls of WHS

Astronomy & Engineering Club

The Engineering and Astronomy Club brings together students who are interested in current issues in the science world. These students have the opportunity to test their skills at events like Project Invention Convention, Committee for Physiological Understanding, and volunteering at the Children's Museum. This club is a great motivator for kids who are interested in future technological innovations.

Best Buddies

The best buddies club meets once a month with high school students and their buddies at the school. The meetings are spent visiting together, having a snack, and doing activities with each other. Friendships are made that go beyond the best buddies club, and the pairs visit on the weekends, after school, and enjoy outside activities. We will be having a cosmic bowling night in April and the year ends with a dance held at the Weymouth Eagles in June. The club is a great opportunity for high school students to meet and help life skills students and bond friendships together.

Depression Knowledge Awareness Squad

The Depression Knowledge Awareness Squad is a group of students who have been trained to help their peers get support with issues around stress, depression, and suicide. Led by Mr. Kowalski, members of DKAS are Jessica Balzano, Joshua Cavanaugh, Ashley Field, Kurt Joyce, Christine Karlberg, Brianna McCarthy, Cameron Scott Murphy, Smit Patel, Jessica Russo, Joshua Travis, and Robert Travis.

Environmental Science Club

Members of the Enviromental Scince Club clean up local parks, clean the bird sanctuary, and support a "greener" school.

Hiking Club

The hiking club is a group of people who like to hike, snow-shoe, kayak, and wander around breathing fresh air. They participate in fundraising walks such as the 20 mile walk for hunger and they run the Annual Sports Trivia Challenge.

Junior Committee

The junior committee consists of members of the junior class, junior class officers and the junior class advisors. The committee meets at the beginning of each month to discuss fundraisers, events, ideas and any questions regarding the junior class. The committee is a great way to bring members of the class together to assist in continuing our success.

Literary Magazine

The Literary Magazine is a collection of poetry, short stories, photography, and other artwork created by the students of Weymouth High School. Students from all grades and all academic abilities are encouraged to submit their work so that the magazine truly reflects the entire school community.

Math Team

This was a rebuilding year for Weymouth's math team. We had a number of students who showed strong individual performances and placed as high scorers at different meets in our division this year. Eileen Murphy was one of our high scoring juniors, and Siddarth Velu was the high scoring senior at multiple meets this year. A strong first time performance by Alyssa Beady placed her as our top scoring freshman. We look forward to the return of our non-senior players next year and with a push to recruit additional talented students we hope to build on the foundation the team established this year.

Led by Mr. Duseau, members of the Math Team are Phil Ang, Adam Beady, Alyssa Beady, Brad Beady, Angelina Choy, Eileen Murphy, Steve Tobin, Siddarth Velu, Jasmine Vo, and Tommy Vo.

National Honor Society

All members must complete 20 hours of independent community service, as well as participating in various community service projects throughout the year, benefiting the Weymouth Food Pantry, American Cancer Society, American Red Cross, and the WHS Library.

National History Day & Student Senate

Mark Lawless,Candace Crocker,Christina Caraco,Breanna Bowker,Belinda Bechtold,Kathryn Bell,Amanda Hutchinson,Jasmina Vo,Ryan Hopkins, Nick Maffeo, Tyler Mulcahy,William Reeves,Sarah Gauss, Kayla Matthews, Lauren DiFazio, Aine Devine, Sarah DeRubeis, Catherine Dullea.

National History Day is a club that is 7 months long and it involves a lot of time, thought and dedication. In March the group goes to Bridgewater State College to present their projects to judges who then determine who wins and who moves on. The Student Senate is a group which represents the entire student body here at WHS. They work together with the administration to better our school for everyone. Members of the Student Senate include President Smit Patel, Vice President Rajeev Chabria, Secretary Brianna McCarthy, and Treasurer Jared Berman.

Free Press

The WHS Free Press is the place for student news at Weymouth High School. The club is in its second year of existence and serves as a platform for student opinions to be heard and is a showcase for the talents of the student body. Our motto is: "For Students By Students."

Peer Mediation

Peer Mediation is a process in which disagreements, problems or disputes are solved in a peaceful manner. Peer mediators facilitate a mediation process that empowers their peers to resolve interpersonal conflicts, thereby repairing damaged relationships.

Ping Pong

WHS has started a Ping Pong Team, aka "Weymouth High School Paddle Kings." The team is comprised of 30 males and females. The club was the idea of Seniors Evan MacLeod and Tyler O'Donnell. Students are ranked according to their weekly performances. The club will continue throughout the school year with hopes that it has set a solid foundation for future participation.

Rotary Interact

It was a nice year for Rotary Interact. We finished last year off with a great trip to Guatemala where we worked with the wonderful children at Safe Passage. It was a life changing experience for everyone involved. This year, we were lead by our fearless president Jen Yu. We worked hard to put on a successful Penny Wars event, with all proceeds going towards Fr. Bill's. We made and served lunches there and donated all of the money from Penny Wars. We also went to the Tuft's Library and read stories to children. We look forward to more service opportunities next year!

SADD

Students Against Destructive Decisions is a unique program that gives students the power the change their own enviornment and save lives. This year they are targeting underage drinking, speeding, seatbelt use, and the dangers of cell phone use and texting while driving. One of the activities SADD has already completed was the "Sticker Shock Campaign". SADD members went to various restaurants, pizza shops, and liquor stores in Weymouth just before Thanksgiving to place a sticker on the owners' boxes and bags. These stickers warned adults not to give or buy alcohol for minors. SADD is also looking forward to sponsoring various assemblies just before the Junior and Senior proms to encourage students to make good decisions to help them avoid accidents that could have life-long repercussions.

May Perriello; Treasurer, Smit Patel; Vice-President, Benjamin Goodwin; President, Mrs. Boczanowski; Advisor, Indah Ngum-Wie, Alex Papadopoulos, Katiana Constant, Patrick Deegan, Peter Gulino, Angela Kelly, Anthony Kelly, Erin Baker, Monica Sinopoli

Senior Committee

Members of the senior class join with the advisors once a month to make important decisions for their class. Senior committee helps to decide the class song, post prom theme, and the senior gift. Members help raise funds for senior events and contribute positively to making senior year memorable.

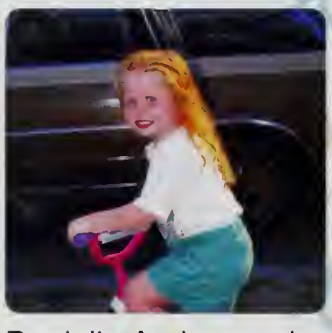
Kellianne Alexander

To our precious Kellianne,
We all know how anxious you have been to explore new experiences and we are very excited for you. The door is open and the world is yours. Don't forget the child within and all her innocence, laughter, and love for the little things in life.
You are loved forever... Mom, Dad, Jackie, Tom, Hollie

Tarin Allie

Dear Tarin,
You were a happy baby and little girl, growing up. If you carry this happiness into your future, you will be a successful young woman. Congrats!
Love Mom Dad and Steven



Danielle Andrewzusky

Danielle,
I just want you to know how proud we are of you. You can do anything you put your mind to. You are very special and very cared about. We will always be there for you.
Follow your dreams, work hard and the future is yours.
Love,
Mom, Dad and Rebecca

Nadine Awada

Nadine, you are the candle of our house. From the day you were born we knew we are going to have a house full of love and happiness. You have always brightened our lives. Love you and we know you will always accomplish your goals.

I once read that children are like kites and that a parent's job is to slowly unwind the string as they begin to soar. One day you realize that the string is let out and they are flying free & so it is with you. It appears that our work is almost done as it seems that we are hanging on to the very end of the string. So World, we give you our beautiful daughter Caitlin. We can't wait to see what happens next! Congratulations- We Love You!

Our son, Francesco Joseph Hladysz
Since his birth June 11, 1991 he's been a easy-going type boy. He has a strong sense of commitment to his family and his faith. Since his early childhood he's always been the happiest helping and sharing with others. Now as a young man maybe more gives of himself (time, processions, and finances) to anyone who needs assistance. He is kind, generous, empathetic, and compassionate to all who know him at home, church school or work. As his family (mother, father and sister) we are very proud of our loving, devoted, and genuine son!

Mom, Steve & Dan

Dear Jenna,
Our precious little baby girl, we love and adore you so very much. You have brought tremendous joy and happiness to our lives. You light up a room with your sparkling personality and your infectious laugh. You have grown up so quickly and have so much to offer. It seems like yesterday when we dropped you off to pre-school and you were banging on the door to get out. Congratulations honey! May your life ahead be filled with joy, success and happiness.
All our love,
Mom, Dad, Jimmy and Holly

Weymouth High School's
Class of 2011

Robert Rozanski, Ryan Polley, and Billy Russell will be going into the military after they graduate from Weymouth High School. We will always remember the times we spent with them during our high school years and wish them the best of luck as they bravely defend our country.

"As we grow up we learn that even the person who wasn't supposed to let us down probably will, you will have your heart broken more than once, and it's harder every time. So remember how it feels because you will break them too. You will fight with your best friend and maybe even fall in love with them. You will blame a new love for what an old one did. You will cry because time is passing by so fast and you will eventually lose a loved one. So take many pictures, laugh too much, and love like you have never been hurt because every 60 seconds is a minute of happiness you will never get back."

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. "Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness, that most frightens us. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine as children do. It's not just in some of us; it is in everyone. And as we let our own lights shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."
